**where  
nothing  
else  
mattered**

....

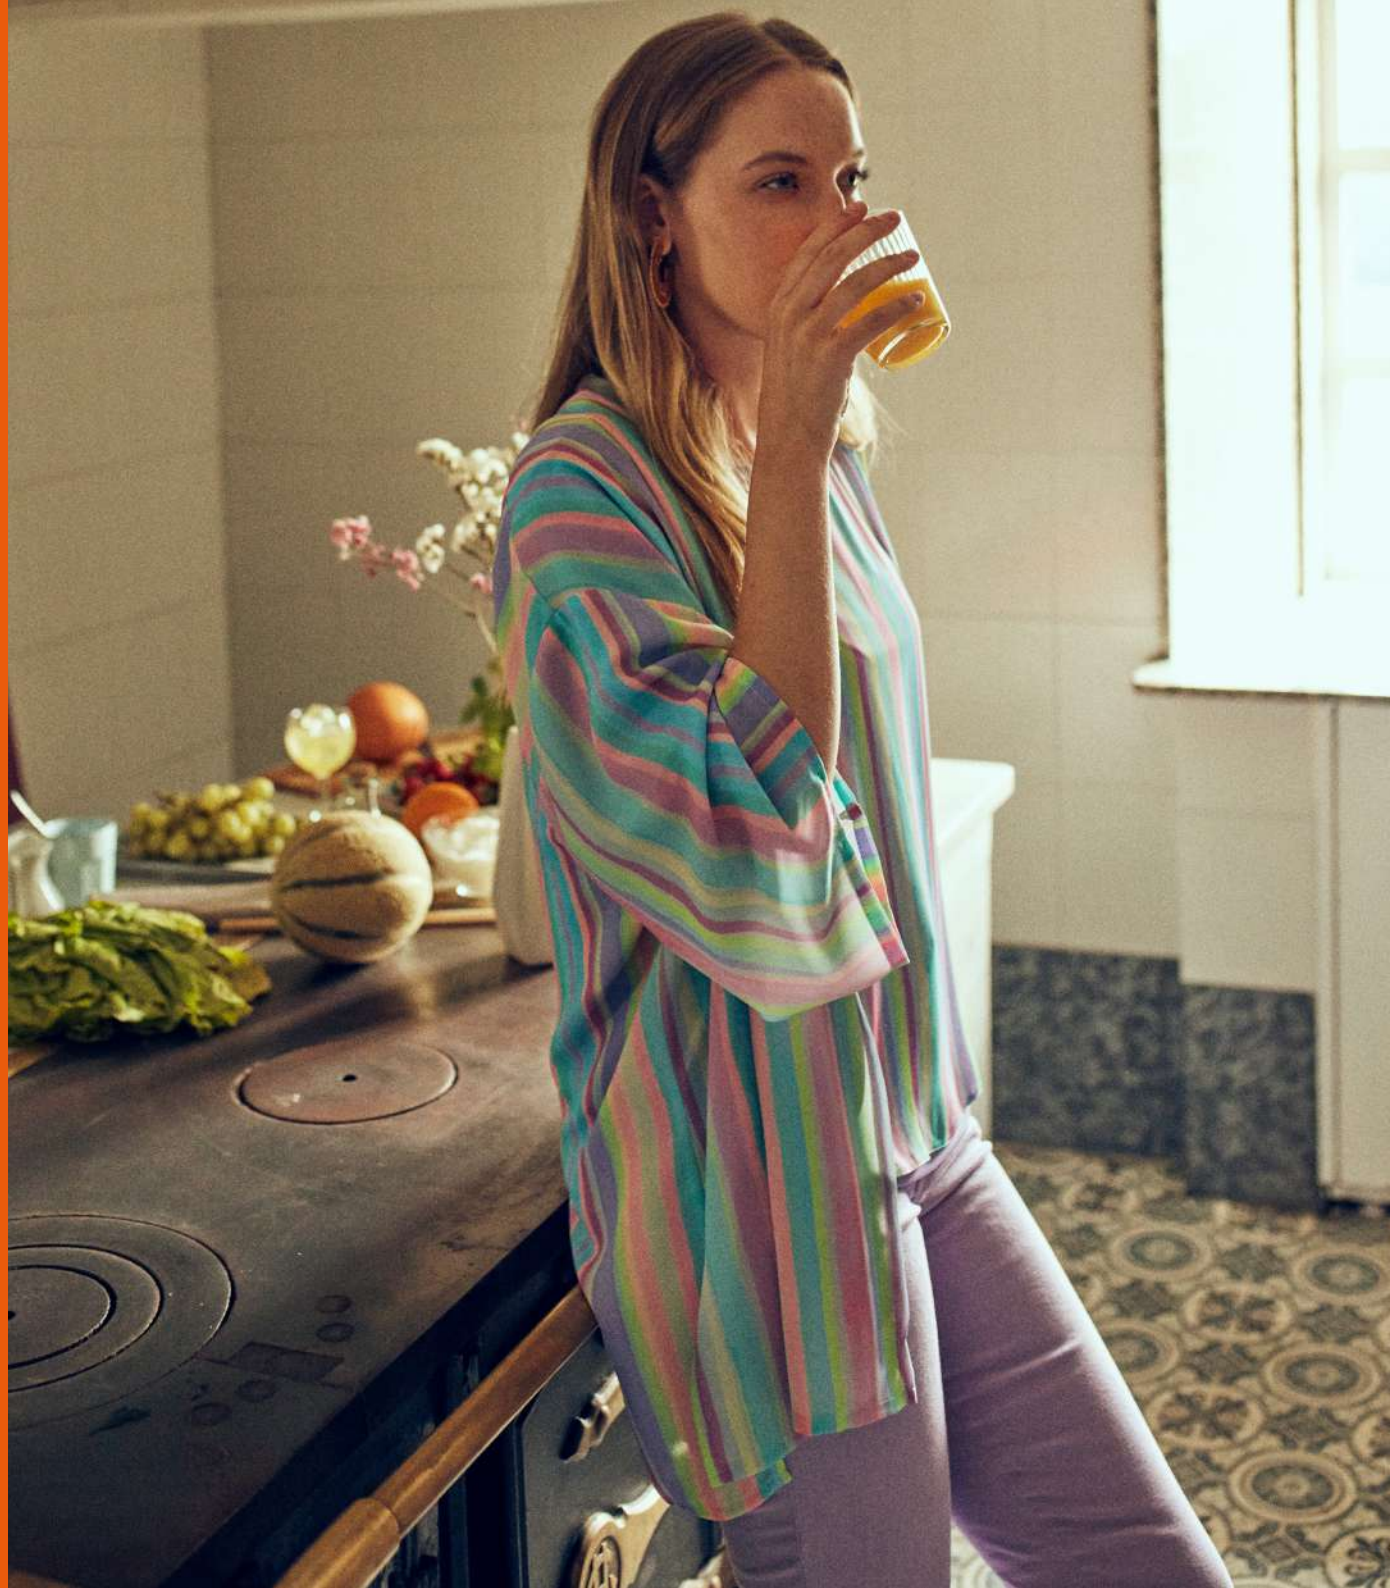

A woman with long brown hair, wearing a light-colored floral dress and large gold earrings, is standing at a table. She is using a knife to cut an orange. The table is set with various items: a bunch of green grapes, a bunch of fresh green herbs, a white pitcher filled with a light green liquid, a bowl of white cream, a glass of water, a bowl of blueberries, and several whole oranges. There are also some pink and white flowers in a vase on the left. The background is a wall with large, light-colored square tiles.
